

# Swimmeet Amsterdam 2-3 July 2021

## Introduction

The first weekend of July will be a splendid weekend of swimming in the Netherlands. On Friday 2<sup>nd</sup> July and Saturday 3<sup>rd</sup> of July the KNZB, in cooperation with swimming club de Dolfijn, will organize a long course meet. This meet will be the last opportunity for Olympic Qualified swimmers to race before they will travel to Japan. On Sunday 4<sup>th</sup> July a short course meet (Speedo Fast Water Meet will be organized by De Dolfijn. This short course meet will serve as a qualification meet for the European and World short course championships later this year. The short course meet has a separate competition information pack.

Both long course and short meets will adopt the same COVID-protocol measures, and both will be swum under the special COVID-elite sports rules the Dutch government has implemented.

In Amsterdam we have a long history in organizing big international meets. Due to several COVID-related matters we have to adjust the organization to a more basic level with a limited number of athletes. Still we have great trust we will have a high level and splendid competition.
